

# AUSTRALIAN PACIFIC COAST ECO BANANAS

[www.eco-banana.com](http://www.eco-banana.com)

Grown as nature intended:

- SWEETER
- CREAMIER
- LONGER LIFE

Grown on 5 family owned farms in Tropical North Queensland, Australia

Eco Bananas are about 'Farming with Nature'

We don't use fertilisers and chemicals that harm our habitat. Our insect world plays a part in developing a healthy eco system above and below the ground.

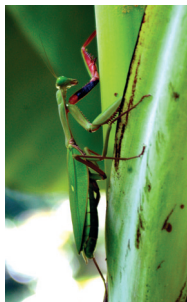

# ecoganic

*'farming with nature'*

**A new Farming System that fosters  
a healthy insect world.**

The Award Winning farming system recognised  
by:

- ✓ Queensland Government EPA Sustainable Industries
- ✓ Great Barrier Reef Foundation
- ✓ Terrain Natural Resource Management
- ✓ United Nations Association of Australia

***Leaders in  
Environmental Farming***
